On Thursday students may leave after their last exam

Attendance during the make-up/review sessions is optional

Students may leave after the 5th hour review on Wednesday (1:21) if they do not have Early Bird

If present during the make-up/review time students should remain with their teacher or report to the cafeteria

Students are required to be in attendance during study hall except for 5th hour Study Hall on Thursday

Any student in the building but not taking an exam should report to the cafeteria

Students will remain on campus for lunch and report to their usual 4th/5th hour classes

Lunch on Thursday is 30 minutes for everyone at one time

Double period classes should meet during both periods

Buses will run at the usual times (except on Thursday...2:14 dismissal...buses will run one hour early).

If we miss a day of school (snow day) during exams notification will be sent via school messenger but we will likely continue with the exams in order. This could push some exams back until after winter break.
