Students should be present during all scheduled times with the following exceptions:

- 1) On Friday, students may leave after their last exam
- 2) Attendance during the make-up/review sessions is optional
- 3) Students may leave after the 5th hour review on Thursday (1:21) if they do not have Early Bird

If present during the make-up/review time students should remain with their teacher or report to the cafeteria.

Students are required to be in attendance during study hall except 5th hour Study Hall on Friday.

Any student in the building not taking an exam should report to the cafeteria.

Students will remain on campus for lunch and report to their usual 4th and 5th hour classes.

Lunch on Friday is 30 minutes for EVERYONE at the same time.

Double period classes would meet during both periods.

Buses will run at the usual times (except on Friday at the 2:14 dismissal in which they will run 1 hour early)

If we miss a day of school (snow day) during exams, notification will be sent via school messenger. We will likely continue with the exams in order. This could push some exams back until after winter break.
