October is National Bullying Prevention Month. JHS students are encouraged to consider the role he or she plays in creating the overall school culture here at JHS. Only you can stop bullying. Treat others with kindness, tolerance, and understanding. If everyone does this, JHS will be a positive safe learning environment that will also be an enjoyable place to attend. Who knows you might even experience some fun filled memories along the way! You will definitely be developing life skills that assist in making you college and career ready!

Crimson Courage will be hosting Red Ribbon Week during the week of October 22nd thru October 26th. The theme for this year is "Life is a Journey - Travel Drug Free". Think about all the places you will go. It would be nice to remember all these places and not miss out due to substance misuse. Youth are growing and their minds are still developing. Substance misuse can alter this growth and development and cause permanent damage to the brain and body. Traveling through life without baggage is much easier than dealing with addiction and problems affiliated with substance abuse. Take the easier path, travel drug free!
