## **Transportation**

The district provides transportation to all away events/games. Students are expected to ride to and from events/games on district provided transportation.

Jacksonville Athletics, Coaches and Transportation Department determine bus departure times.

At the coach/advisor's discretion, students may be signed off the return bus by the parent/guardian. At the event, the parent/guardian must sign the Release Sign-Out Sheet (in the presence of the coach or their delegate) stating their intention to drive their student home, releasing the district from liability.

If the student will be riding to or from an event with another adult, the Alternate Transportation Release Form must be complete and on file in advance documenting the individual responsible for transporting the student.

If the student is riding home with another adult, the approved documented driver will sign the provided Release Sign-Out Sheet in place of the parent at the event. Requests for alternate transportation to an event or for someone other than the parent to transport home from an event will be approved on a very limited and case by case basis (for example, extreme family emergency, need to be transported to another school event, etc.).
