The parade route moves east along State Street, continues around the square and ends at Douglas. It is roughly 1.32 miles in length.

The parade route begins at Duncan Park. Floats will line up on the north and south sides of State Street – between Sandusky and Webster. We will also use the north and south side of State Street between Webster and Finley.

The parade route ends just beyond the Illinois Theater. Notice the parking lot at the corner of Douglas and Mauvaisterre.
