

Good evening, Eisenhower Families,

What a great evening to turn our minds and hearts toward story-telling and literacy! Thanks to all who participated in our Family Reading Night.

Three updates and reminders for you:

- First, our PTAC members have graciously offered to be present at the Eisenhower modular units for a Spirit Wear drive-thru pick-up this Saturday, November 18, from 2:00-4:00 p.m. If you ordered Spirit Wear and would like to come by the school on Saturday afternoon, please do so.
- Second, a couple of reminders related to morning drop-off: please, no left turns off of Hoagland Blvd. into our Eisenhower driveway. This presents a potential problem for the school buses needing to turn east on Hoagland. Also, if you have a JMS student to drop-off, for safety reasons, please ensure your middle school student is dropped closer to the crosswalk (near the dumpster) or exits the vehicle and walks toward the crosswalk. We want to avoid students darting through a lane of traffic.
- Third, please recall that next week Monday and Tuesday are our only school attendance days, and both days are full (regular dismissal) days. There will be no school on Wednesday, Thursday, or Friday, November 22-24, in recognition of the Thanksgiving holiday. School resumes on Monday, November 27.

I am so very thankful for all you do to send us your best and brightest students each and every school day!

*Skylert to be sent 11/16/23, 7:30pm*
